TEAM ELIGIBILITY (2025 SEC will host D-Division ONLY and may be divided between D1 & D2 based on team registration and team rating totals)

A. Rosters may include a maximum of three (3) players who do not have a rating in the iPride database. Teams must provide the Yes/No rating questions answers for players NOT in the iPride database. Exceptions can be granted at the discretion of the Tournament Director(s). Send an e-mail to setournament@siouxempirepsa.org to explain the situation, and we will review your request.

B. Player ratings must be submitted on the official SEC roster form at a minimum of 2 weeks before the tournament for validation by the Tournament Committee.

3. REGISTRATION: All players, coaches, and managers must register by checking in with a valid form of identification and signing the tournament release form (i.e., registration book) prior to stepping on the field. No one is allowed on the field or in the dugouts (including scorekeepers, fans, etc.) without first signing the tournament release form.

A. Playing an unregistered player in any game will result in a forfeit of the game, and the unregistered player will be disqualified from continuing to play in the remainder of the tournament.

B. The registration book with the official team roster will be available at the Registration Party on Friday, and at fields located near the concession stand on Saturday and Sunday, approximately 1 hour before the first scheduled game.

4. UNIFORMS: All players should wear a jersey with a unique number. Temporary numbers and marked jerseys of a different color are discouraged but permitted. Jewelry must be removed or securely taped before playing. Tournament wristbands may be worn during play.

5. PRACTICE: No practice is permitted on the tournament fields

6. SUBSTANCES: The use of alcohol or smoking is not permitted within a dugout or on a field of play.

7. MINIMUM PLAYERS: Teams must start the game with a minimum of 9 players.

- A. If a team plays with 9 players, the number 10 spot in the batting lineup is taken as an out.
- B. Once a game starts, if an additional registered team player arrives, they can be added to the number 10 spot at the bottom of the batting lineup.
- C. Any additional late player can be added as a substitute player, but cannot be added to the batting lineup without substitution. The scheduled game start time is forfeit time.
- D. Teams playing back-to-back games will be permitted a reasonable amount of time to move fields for consecutive games.
- E. It is encouraged that teams are aware of potential game times before leaving the complex between pool play and tournament play, or other breaks between games.

8. LINEUP CARDS: Starting lineup and available substitutes must be filled out on lineup cards (provided) before the start of the game. A copy must be given to the umpire and the opposing team manager during the pregame conference. Additional cards will be available at concession stands and designated locations.

9. HOME TEAM: The home team will be determined by the following:

- A. Coin toss for pool play games; the officiating umpire will determine who will call the coin toss.
- B. Higher seed for all winners' bracket games.
- C. Coin toss for all loser bracket games; the officiating umpire will determine who will call the coin toss.
- D. Undefeated team for the championship game, and by coin toss if an "if game" is required.

10. PITCHING: The pitch arc is 6-12 feet per iPride Softball rules.

11. BATS: USA Softball banned bats will not be permitted within a dugout or on a field of play. Permitted bats must be in "good" playing condition and will be evaluated at the discretion of the officiating umpire.

12. BATTING: Each batter will start with a 1-1 count.

13. COURTESY FOUL: No courtesy foul will be provided. A foul hit with a 2-strike count will be counted as the third strike, and the batter will be called out.

14. SAFETY BASE: The double base shall be used at first base as outlined by USA Softball rules. Noting, when a play is being made on the batter-runner, the defense must use the white portion and the batter-runner the contrasting color portion of the base.

15. BASE RUNNING: Base stealing and leading off are not allowed.

16. HOMERUN: iPride Softball homerun limit rules are in effect:

Open C / Legends C: 1 home per run per game allowed

Open D / Legends D: 0 home runs per game allowed

Open E: 0 home runs per game allowed

A. Any home run over the limit ends the half-inning for the batting team.

17. SUBSTITUTIONS: USA Softball substitution rules apply. This means that to replace a player on the lineup, you must enter a legal substitute. If the original player re-enters the game, they must do so in their original lineup position. Once a player has exited the game a second time, they cannot re-enter the game. This only applies to substitutions that change the batting order. Players in the batting order changing fielding positions or going between extra hitter and fielding positions are not considered substitutions.

18. PIP GUIDELINES: Approved PIP players must have an asterisk next to their name on the lineup. The manager must also verbally confirm the PIP player with the umpire at home plate before the start of each game.

A. When a player has a PIP accommodation at the beginning of a game, they have the option of utilizing the designated runner for each at-bat.

B. The player with a PIP accommodation must identify the use of the designated runner at the end of that at-bat.

C. The designated runner must be the last recorded out.

D. If it is the first inning, and no outs have been recorded, the designated runner will be the last batter in the submitted lineup.

19. COURTESY RUNNER: Teams are allowed one courtesy runner per inning. Any eligible player on the official lineup, including available substitutes, may be used as a courtesy runner.

A. For eligible players under PIP, the designated runner must be the LAST out and will not count as the courtesy runner for the inning. If the last out is on base or coming to bat, the previous out can be used without penalty.

20. GAME TIME: The official game start is when the officiating umpire calls the start of the game. The official game ends after the final pitch within the limits defined herein or at the time of expiration.

A. No new inning shall start after 50 minutes in pool play, 55 minutes in tournament play, or 60 minutes in championship games and "if" games.

B. Pool play games may end in a tie at the end of inning 7 or the end of the current inning once time has expired.

C. The international tie-breaker will be used if tournament play games end in a tie.

21. OFFICIAL SCORECARD: The coach or manager from each team must sign or initial the official umpire's game scorecard at the end of each game to confirm the correct score, and the winner is marked. Signed official scorecards are final and cannot be later disputed. The official scorecard is used to determine seeding and brackets for tournament play.

22. PLAYER REMOVAL: If it is determined that a player should clearly be rated for play in a division higher than the one in which they are registered, the player may be removed from the tournament at the discretion of the Tournament Director. Any decision will be based on

first-hand views, Field Director input, and information provided by umpires and other divisional representatives.

A. Any player removed for alcohol or drug-related reasons may have additional consequences in their home league and/or within the iPride Softball membership.

B. Any player removed for unsportsmanlike conduct may have additional consequences in their home league and/or within the iPride Softball membership.

23. PROTESTS: Protesting is permitted using the following guidelines.

A. The protesting team's manager must notify the officiating umpire (or if multiple umpires are officiating, the umpire behind home plate) before the official game end (refer to game time above) of their intention to protest by handing the umpire a completed protest card (available at information table) and the protest fee.

B. The protest fee is \$100 for the first question and \$50 per question for all subsequent questions. We will accept cash or checks - no credit cards.

C. All protests will be given to the Protest Committee, which will consist of a SEC Tournament Director and two other members selected by the Tournament Director.

D. Protests filed without a written explanation and the proper fee will be rejected by the officiating umpire or the Protest Committee, and play will continue.

E. After the Protest Committee has met with both team managers, they will make a decision before either team is allowed to continue further pool play or tournament play games.

F. In the event the protest is upheld, the fee will be refunded to the protesting team; otherwise, the fee is forfeited and retained by the SEC.

G. Protest Committee decisions are final. It is the sole discretion of the Tournament Director to determine whether the conditions for a protest are accepted.

H. Protests based solely on a decision involving accuracy or judgment on the part of an umpire will not be considered.
