Mission Statement

- A. Sioux Empire Pride Sports Association-Volleyball (Sioux Empire PSA-Volleyball) is a non-profit adult community-based sports organization created to support the bonds of Lesbian, Gay, Bisexual, and Transgendered (LGBT) fellowship to play volleyball in a safe environment of friendly competition; free of discrimination based on age, race, creed, religion, sex, national origin, sexual orientation, gender identity or playing ability.
- B. The Sioux Empire Pride Sports Association-Volleyball also fosters knowledge and training in volleyball to educate the community it serves as to the physical, social, psychological, and intellectual benefits of athletics.

League Structure

- A. The structure of Sioux Empire PSA-Volleyball shall be determined at the annual February team manager meeting.
- B. The basic rules of volleyball are the same across all variations of the sport. Play is typically organized with two teams organized in a formation on either side of a net. Each team attempts to score points by sending the ball over the net to their opponent, with the goal of having the ball hit the ground to end each **rally**.
- C. To begin play, one team **serves** the ball over the net to the opposing team. Once the serve has been received (**serve receive**) the receiving team has up to three contacts before they must send the ball back over the net to continue the rally. The rally continues, with each team allowed as many as three consecutive touches, until either a team makes a **kill**, grounding the ball on the opponent's court and winning the rally; or (2): a team commits a fault and loses the rally. The team that wins the rally is awarded a point and serves the ball to start the next rally. Players rotate clockwise around the court in a set order depending on who has possession of the ball.
- D. Most rallies consist of the first two touches used to set up an attack, where the team tries to put the ball in the most advantageous position possible to score a point against the other team by sending the ball over the net in a way that their opponents are unable to keep the ball from hitting the ground. Players can legally contact the ball with any part of the body.

Team Manager Responsibilities

- A. Represent their team at the manager meetings (They may designate a proxy in their absence).
- B. Report the results of the manager meetings back to their team.
- C. Collect and submit to the Executive Committee: Team Rosters, Sponsor Contributions, and Membership Fees.
- D. Submit a lineup sheet to the score table and before each match. There are minimum of two matches per game with a maximum of three per game for tie breakers.
- E. Maintain team sportsmanship at all SPESA games and events.
- F. Carry copies of the current USA Volleyball 2021-2023 Official USA Volleyball Abridged Indoor Rule Book and Sioux Empire PSA-Volleyball Athletic Code to every game. [2021 2023 Official USA Volleyball Abridged Indoor Rule Book \(adobe.com\)](#)

- G. The official scorebook for the league will be maintained at the officiating table. Each team when officiating the official scorebook should be responsible for the fair and accurate reporting.
- H. Ensure that all team players participate in the rotation to assist in scoreboard tracking when the other teams are playing and it is that team's turn to track score, line judge, or be down referee. Failure to participate in the rotation of the scoreboard tracking will automatically remove a team's eligibility to play in the final tournament.
- I. Sign the official scorecard immediately following the completion of each game. The signature of both team managers is required and the signed scorecard will be entered as the official final score of the game

New Player Recruits

- A. Each year Sioux Empire PSA-Volleyball shall recruit free agents.
- B. New players that Sioux Empire PSA-Volleyball has recruited may join a team of their choosing, be placed on a team needing players to fill their roster, or form a new team.
- C. Teams in Sioux Empire PSA-Volleyball needing players shall inform the recruitment director of the desired number of players needed. The recruitment list will be provided to any Sioux Empire PSA-Volleyball manager requesting it.
- D. Teams requesting players will be able to try-out players before the start of the season to ensure the team's needs are met. If it is found that the player is not a match for that team, the recruit may change teams at their own will. The notice **MUST** be given to the recruitment director, and, if appropriate, a reason for releasing a player must also be provided.
- E. Teams may form with players of all abilities. Understanding that individual player ratings may disqualify players from joining their team in tournaments where ratings would disqualify the team.
- F. Player participation in Sioux Empire PSA-Volleyball is voluntary.

Team Rosters

- A. A team must consist of at least six (6) active players, but not more than twelve (12) active players (there is no roster limit on non-players).
- B. The initial team roster will be determined by the Executive Committee in coordination with team managers from the online registration annually by the March managers meeting.

- C. Addition(s) to the roster may be submitted for each player by using the registration tab on the SEPSA website. Registration will be completed on the external website League Apps; this can be done until the roster deadline, where then a paper form may be submitted until the second week of the regular season of play.
- D. A player may leave/change teams by: notifying the Executive Committee and the team that they are leaving before the first week of scheduled games. The recruitment director must be notified before the first game in which the transferring player is permitted to play for their new team; they will then notify the team managers of the teams involved if not already done so.
- E. Any player in the current year's Sioux Empire PSA-Volleyball league is permitted to leave the team that drafted them only by notification to the commissioner through their second week of scheduled games. The commissioner is then responsible for determining which team the player may move to if the player does not already have a chosen team, following Sioux Empire PSA-Volleyball new player recruitment procedures.
- F. A team must have a minimum of nine (9) roster players to borrow two (2) players from another team for play during that day. Players cannot play on two separate teams that play against each other on that same day.
- G. The two (2) borrowed players are only allowed to pitch or catch while on defense.
- H. After the 5-minute grace period, if both teams only have five (5) players, a double forfeit will be called.
- I. Any team can request its roster from the commissioner.

Playing Rules

- A. Sioux Empire PSA-Volleyball in all its official events, shall adopt and conform to the USA Volleyball [2021 2023 Official USA Volleyball Abridged Indoor Rule Book \(adobe.com\)](https://www.usavolleyball.org/2021-2023-official-usa-volleyball-abridged-indoor-rule-book), latest edition, unless explicitly stated in this section or elsewhere in this athletic code. All games shall be conducted in accordance with the governing manual of this organization.
- B. Exceptions to USA Volleyball (ASA) Rules of Volleyball for Women USA Indoor Competitive Volleyball, latest edition, may be made to affect the entire Sioux Empire PSA-Volleyball by a two-thirds (2/3) vote of the Executive Committee. A vote can be made at any meeting from May 30th through the last meeting before the beginning of the new season each year.
- C. An official game may be started with a minimum of six (6) players per team. After a game begins, players may be substituted into the court of play as many times during the match as they wish, but only for the player that they were or are substituted for. Additionally, that player must adhere to the same order of serving as the player they substituted or were substituted. If a team has a minimum of six (6) players, a late player

may be added to the lineup sheet as an available substitute, provided that the score table and the opposing team have been notified.

- D. Only referees and Sioux Empire PSA-Volleyball managers or team players are permitted to be on the court during or between games.
- E. Each game will have a minimum of two (2) set matches and a maximum of three (3) if a tie-breaker is needed.
- F. At the first set match players starting on the court will line up on the back court line of their side. Following the border line of the court they will meet the opposing team at the net and wish the opposing team "good luck".
- G. At the end of each set match the teams will switch sides of court. If a third set match is required, the teams will stay on the same side of the court that they were on at the end of the 2nd set for the beginning of the third set match. During the 3rd set match once a team reaches the score of seven (7) teams will change sides and resume play with the same line up and court placements as what was on the opposite side just prior to the change.
- H. Each set match will begin with a score of 4 points for both sides. The first and second match will be played up to 25 points. The third set match if needed will be played up to 15 points. If both teams have scores close to 25 (or 15 for the 3rd set), the winning team is required to win by two (2) points. This means that if one team has a score of 24, the other team must have a score of 26 in order to win the set match.
- I. Managers are required to submit the initial line-up to the score table no later than 6 minutes prior to the start of the 1st set match of a new game. For set matches following the first, managers/coaches will have a 3-minute grace period between to provide an updated line-up if needed.
- J. At the end of the final set match opposing teams' players, managers, coaches must meet in the middle by the net and give solicitations for a job well done.
- K. Unless noted on the schedule, new games will begin 15 minutes after the last game finished. Time begins after the previous team players clear the benches from their play and the Up-referee begins the clock count down.
- L. During the 15-minute grace period between games the next two teams that will be playing can use that time to warm up. Each team will receive 3 minutes of combined serve warm-up time, and 6 minutes of individual team warm up for the court.
- M. Teams that are not playing on the court may be listed on the schedule as the "Scoreboard Team". This means that the team listed will be responsible for tracking the official score, substitutions completed during the game, if a ball is hit out of bounds, touched prior to going out of bounds, serves in the correct order, showing the official score to the audience, and other duties as standard with officiating tracking.

- N. Any team not scheduled to be on the court or officiating will be considered to be on a bye and able to use their time as they would like. However, it is that team's own responsibility to pay attention to if their game is coming up and to be present when the 15-minute grace period begins, and on the court as scheduled.
- O. Matching or similar shirts with numbers on the **Front and Back are required**. Each player must have a different number on their shirt for score and substitution tracking. Libero's will be provided an identifier "pennies" to be used during the game and returned at the end of the games for the next game to be used.
- P. There are an unlimited number of times substitutions can occur, but players may only substitute for the same player. (e.g. player #10 comes in as a substitution for player #15. For the remaining of the match, player #10 may only come in for player #15 and #15 for player #10).
- Q. Each team is allowed to have a maximum of two (2) Libero's, but only one (1) Libero can be on the court at a time.
- R. Libero's may enter the court an unlimited number of times as long as they stay in the back row and do not rotate to the front. However, if a Libero is brought into the match and serves the ball they may ONLY serve in the initial rotation. For example, the Libero serves for player #9 stay in the back row, leaves the court, returns to the court for player # 20 and the libero then may not serve for player #20. The Libero may ONLY serve in the rotation when it would be player #9's turn to serve.
- S. Only USA-approved volleyballs are allowed in Sioux Empire PSA-Volleyball games.
