Overview

Bowling Athletic code revised to be consistent with other athletic codes. Added in verbage for bowling variants. In the future won't need to be modified as each season may have a variant applied.

Tournament structure: No Makeups - 1st Game highest scoring 8 teams move on. 2nd Game top 4 move on. 3rd game out of the top 4 teams, the team with the highest overall score for the day wins.

Next Season - Starts Sunday **January 15th @ 2:00 pm**. Using a 9-Pin tap variant. (First ball if 9 pins fall counts as a strike). The score sheet/monitor will take note that the strike was from the variant and can be tracked.

Awards are not in. I'm still working on getting a whole SEPSA agreement to have consistent trophies and awards across all leagues.

- We are thinking of using the trophies that Softball uses for managers 1st, 2nd, and 3rd and vary in size based on position. Then every member on the team is given a medallion around the neck so the players have something to show for their accomplishment.
- Thoughts?
- When received, I will distribute it to the managers for the manager to give to the team.
