Winter Bowling Manager's Meeting Schedule

- February 19th 2023 @ 1:30 PM
- March 26th 2023 @ 1:30 PM

9-Pin-No-Tap Variant - For each frame the first ball if the player knocks down 9 pins it is considered a strike. My Understanding that a No-Tap strike is marked on the scoreboard. If a total of 9 pins are knocked down after the first ball then it is considered just 9 pins knocked down.

End of Season Tournament - The winner was announced and was incorrect. Eastway Bowl's system messed up and did not eliminate the correct teams. After review, the Commissioner messaged teams with the correct placement standings.

- Been looking into alternative tournament structure. With the current way this is set up, bowlers could purposely bowl poorly during the regular season play and bowl their best in the tournament to which their handicap would benefit them greatly and push them to the top standings.
- I have been looking into using the points system that we use during league play and awarding points based on placement in tournament.
 - We could do the same, game for the game, and teams that move forward get designated points. Still looking into points structure for this
 - Alternatively we remove the game for game and only so many teams move on. Instead the sum of all 3 games determines 1st, 2nd .. and so on for how many teams there are. Then each team is awarded 1 point for each team they beat. To which all teams would at least receive 1 point except for the team that came in last.
 - Then the tournament points are added to the regular season points and placements are announced.
- After discussion with managers, everyone was in favor of using the sum of all games and each team is awarded 1 point for each team they scored above.

Discussion of Code of Conduct. If there are minor tweaks we can approve. If there are major changes that need to be made then we will need to be written and then approved at the next meeting.

- Based on discussion of tournament play. May need to alter the Code of Conduct for the current season or we apply the tournament update after winter bowling season.
